

4th Australasian

gene therapy society

meeting

April 27th • 29th 2005

Rydges Hotel Carlton Melbourne Australia

Programme includes:

Gene Delivery-Viral vectors
Gene Delivery-Non Viral Vectors
Antisense Therapy
Genetic Disease
Stem cell Therapies
Animal Models
Pharmacogenomics

Local Organising Committee:

A/Prof Panos Ioannou
Murdoch Childrens Research Institute, Vic.
Prof David A. Jans
Monash University, Vic.
Prof Colin Pouton
Victoria College of Pharmacy, Vic.
Prof Martin Pera
Monash University, Vic.
Prof Bob Williamson
The University of Melbourne, Vic.
Prof Alan Trounson
Monash University, Vic.
Dr Jim Vadolas
Murdoch Childrens Research Institute, Vic.
Dr Robert Kapsa
NMDRC, Howard Florey Institute, Vic.
Dr Chee Kai Chan
La Trobe University, Vic.
A/Prof Sylvia Metcalfe
Murdoch Childrens Research Institute,
University of Melbourne, Vic.
Dr Joe Sarsero
Murdoch Childrens Research Institute, Vic.
Dr Heidi Peters
Murdoch Childrens Research Institute, Vic.
Dr MaryAnne Aitken
Murdoch Childrens Research Institute, Vic.
Prof Steven Jane
Rotary Bone Marrow Research Laboratory, Vic

National AGTS Council

Prof John Rasko (President)
Centenary Institute of Cancer Medicine
& Cell Biology, Sydney Cancer Centre NSW.
A/Prof Panos Ioannou (Vice President)
Murdoch Childrens Research Institute,
Royal Children's Hospital, Parkville, Vic.
Dr Ming Wei (Secretary)
Gene Therapy Unit, Department of Medicine,
Prince Charles Hospital, QLD.
Prof Ann Simpson (Treasurer)
Department of Cell & Molecular Biology,
University of Technology, NSW.
Dr Jane Fleming
The Gene Therapy Research Unit,
Children's Medical Research Institute and
The Children's Hospital Westmead, NSW.
Dr Ian Alexander
The Gene Therapy Research Unit,
Children's Medical Research Institute and
The Children's Hospital Westmead, NSW.
Dr Gerry Both
CSIRO Molecular Science, NSW.
