

Australasian Gene Therapy Society 7th Meeting May 4-6 2011 Rydges On Swanston Hotel, Melbourne, Australia

1st Announcement

Confirmed Speakers

**John J. Rossi, PhD, Beckman Research Institute-City of Hope, USA.
RNA interference in HIV/AIDS**

**Maria Kavallaris, PhD, Lowy Cancer Research Centre, UNSW, Australia.
RNA interference in Lung Cancer**

**York Zhu, PhD, Founder Biomics Biotechnologies Co. Ltd., China.
RNA interference in Hepatitis**

**Tomoji Mashimo, PhD, Kyoto University, Japan
Generation of Knockout Rats Using Zinc-Finger Nucleases**

**Dave Russell MD, PhD, University of Washington School of Medicine, USA.
Gene Targeting in vivo by Adeno-Associated Vectors**

Programme:

**Greg Johnson Memorial Oration
Gene Therapy
Cell Therapy
Antisense technology
Cancer
RNA-Based Therapy
MicroRNA & Non-Coding RNA**

Invited Speakers:

**Prof Doug Hilton (Australia)
Prof Marina Cavazzana-Calvo (Italy)
Prof Alan Mackay-Sim (Australia)
Prof Philippe Leboulch (USA)
Prof Nick Lemoine (UK)
Prof Alexandra Belayew (Belgium)
Prof John Mattick (Australia)**

Organising Committee:

**Prof Steve Wilton
Dr Rosetta Martiniello-Wilks
Prof Ann Simpson
Dr Samantha Ginn
A/Prof Jim Vadolas
Dr Paul Gregorevic
Dr Gerry Both
Dr Nham Tran (NSW MiRNA Group)
Prof Thomas Preiss & Prof Nigel McMillan
(RNA Network Australasia; invited)**

Sponsors (confirmed):

**FSH Global (Gold)
Benitec (Platinum)
Australian Neuromuscular Research Institute (Gold)
Sigma-Aldrich P/L (Gold)**

Other Sponsors

**Miltenyi Biotec Australia P/L
Journal of Gene Medicine
Genzyme P/L
Thermo Fisher P/L
Invitrogen P/L
Children's Medical Research Institute
Murdoch Children's Research Institute**
